

RIDER:

- Food & drinks provided to Ear Candy prior to or during the event for 5 members at no expense to Ear Candy.
- Ear Candy requires at least 2 circuits of power to be provided by the venue for all musical and electronic gear to run properly.
- Ear Candy requires a stage area of 12'x15' to perform. (This is the minimum requirement, the bigger the area, the better for our live performance).
- Vehicle(s) must be allowed to park within 50 yards of performance area or have parking engagements resolved prior to engagement.
- Purchaser is responsible for any parking fees that may apply to Ear Candy for up to 5 vehicles.
- Ear Candy must have access to the venue a minimum of two hours prior to guest arrival time for complete set up and sound check.
